**Grand Opera Night.**  
The Joseph Sheehan English Grand Opera company arrived this afternoon for their single performance here of "Il Trovatore" at the Kentucky theater tonight. This beautiful Italian opera, embracing the most interesting story and the sweetest music of any opera ever written, will be sung in English by Mrs. Sheehan, the great stock opera star, and a cast of star singers, supported by a grand opera chorus of 47 voices, assisted by an augmented orchestra under Mr. Sheehan's own director. This is the first time such an organization was ever taken on the road to one night stands. At Evansville, where the company played Monday night the papers said there was not a weak place in the cast, and especial mention was made of the bass of Louis La Valle.

It has long been known that the role of "Il Trovatore," in "Il Trovatore," is the greatest in Mr. Sheehan's repertoire of over 100 operas. No other living tenor, not even Caruso, takes the high "C" at the end of the "di quella pra," the great tenor solo. He has sung this one role over 500 times.

The rest of his all-star cast have been selected, each and every one, as being the best in the country for the roles assigned to them.

Elaine De Sellem, the eminent French contralto, has made a special study of the role of "Azucena" and her interpretation of the character, as well as her beautiful voice, has caused a sensation since her arrival in this country.

Grace Nelson, the prima-donna soprano, is by voice and temperament especially fitted for the role of "Leonora."

Louis LaValle, the famous English baritone from the Royal Opera London, has no superior as the "Count di Luna" and so on down the list; even the minor parts are taken by artists who rank high in their profession.

For over 30 years "Il Trovatore" has held first place in the affections of the people. The great Tower Scene, the magnificent "Anvil Chorus" with its picturesque wild settings and beautiful electrical effects, the celebrated "Prison scene" together with its musical melodies have placed "Il Trovatore" in a class by itself.

As much as Mr. Sheehan's contracts call for his appearance in Chicago and Boston practically exclusively for the next two years this will no doubt be the last opportunity we will have of hearing his golden voice for some time.

**New Comedy by Author of the Chicken Drama.**  
In the day of the present suggestive farce and musical comedy, "Les Romanesques" or "The Love Doctor" comes like a breath of fresh, invigorating air, straight from the sylvan heart of nature. It is a comedy, free from any form of suggestiveness, pure, sweet and exhilarating. That the public are, at heart, sane and wholesome in their tastes has been shown by the distinguished success that has followed the tour of "Les Romanesques" in the United States. For several years this dainty comedy has filled the principal cities of Europe with innocent laughter and amusement. It has been acclaimed everywhere as Edmond Rostand's happiest contribution to stage literature. It is true his "Chantecler," "L'Aiglon" and "L'Aiglon" and "Cyrano de Bergerac" have thrilled countless audiences with their noble flights of tragic poetry, but it has remained for him to reach the hearts of the people with his human and fantastical comedy of "Les Romanesques." The first American tour of "Les Romanesques" is being made by John Nicholson and his excellent company of players, including Margaret

## Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Police men all over the world use TIZ. Police men stand on their feet all day and know what sore, tender, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."—Emory Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before sold. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and callouses. You'll feel like a new person. TIZ is for sale at all druggists at 25 cents per box, or it will be sent you direct if you wish from Walter Lather Dodge & Co., Dodge Bldg., Chicago, Ill.

## LIVESTOCK.

Louisville, Ky., Nov. 3.—The receipts of hogs were 772 head, or 4,277 for the week thus far, as against 3,665 for the same days last week, 11,507 for the same days last year, and 7,721 for a corresponding period two years ago. Notwithstanding the light receipts, and a fair local and shipping demand, the buying contingent had things pretty much their own way on account of the weakness of other markets and pounded prices a full 25c on all grades. Selected hogs, 120 lbs. and up, selling at \$8.30; pigs sold at \$8.95 down; roughs \$7.50 down. The pens were pretty well cleared, but the market closed weak.

**Cattle.**  
The receipts of cattle were 73 head, or 4,925 for the three days this week. The attendance of buyers was small and limited to local traders and butchers, who were not very anxious buyers; the market generally was dull, with but few changes recorded. Prime light butcher cattle were in fair demand and steady; medium and inferior kinds very dull; heavy steers dull. Good trade on feeders and stockers as well as good weight slop steers; common, trashy stockers slow. Bulls steady; canners dull. Milch cows unchanged. No heavy steers here; feeling weak.

**Calves.**  
The receipts of calves were 94 head; for the three days 453. The market ruled firm, a shade better. Bulk of the best, 7 3/4 @ 8 1/2 c. Some fancy higher. Medium 6 @ 7 1/2 c; common 2 1/2 @ 6c.

**Sheep and Lambs.**  
The receipts were 146; for the three days 675. The market ruled quiet and dull. The best fat sheep, 2 3/4 @ 3c down. Common sheep slow sale at 1 @ 2 1/2 c. The best lambs 5 @ 5 1/2 c; common and cull lambs 3 @ 5c. St. Louis—Cattle—Receipts 5,000; market steady; native beef steers \$5.50 @ 7.75; calves in carload lots, \$6 @ 8. Hogs—Receipts 6,500; market lower; pigs and lights, \$8 @ 8.60; packers \$7.25 @ 8.50; butchers and best heavy \$7.90 @ 8.90. Sheep—Receipts 3,000; market steady; native muttons \$3.75 @ 4.25; lambs \$5.25 @ 6.75.

## TOBACCO MARKETS.

Louisville, Ky., Nov. 3.—The local tobacco market started off with a rush, 961 hogsheads of burley and 37 hds. of dark being offered. Of the burley 290 hds. were 1910 tobacco and 761 old crops, most of this

being the 1909 pool. In the dark side of the market four hds. were new and 34 old, 871 hds. were original inspection and 128 reviews. The prices realized on the first sale were exceedingly satisfactory, \$18 being the best on the old crop and \$14.75 on the new.

A feature of yesterday's market was the number of rejections by the Burley society committee going over the sales at the close of the day and throwing out a large number of hogs heads, their rejections constituting the larger share of the 152 burley hogsheads thrown back on the market. In addition to these there were 29 dark rejections.

State warehouse sold 73 hds. old burley at \$7 to \$13 and 22 hds. new burley at \$5.45 to \$14.75; 5 rejections.  
Pickett warehouse sold 25 hds. new burley at \$4.90 to \$12.50 and 24 hds. old dark at \$5.20 to \$10, and 4 hds. new dark at \$4.85 to \$7.60.  
Kentucky warehouse sold 96 hds. old burley at \$8.10 to \$18.25, and 44 hds. new burley at \$5.50 to \$14.25, and 10 hds. old dark at \$6.20 to \$8.40; 5 rejections.  
The Ninth street warehouse sold 122 hds. old burley at \$7.50 to \$19.50 and 25 hds. of new burley at \$6.10 to \$12.50. Rejections, 6.  
The Louisville warehouse sold 101 hds. of old burley at \$6.40 to \$18.75 and 7 hds. new burley at \$4.10 to \$13.50.  
The Central warehouse sold 162 hds. of old burley at \$6.50 to \$16.75 and 35 of new burley at \$5.95 to \$15.75.

The Farmers' warehouse sold 105 hds. of old burley at \$6 to \$14.25 and 82 of new burley at \$6.50 to \$14.50. There were seven rejections.  
The Home warehouse sold 40 hds. of old burley at \$7.10 to \$16.50 and 18 of new at \$6 to \$13.75. There were six rejections.

## PRESS REPORT INCORRECT.

Statement Credited to Vice President of Pressman's Union.

Chicago, Nov. 2.—Albert B. Kreidler, vice president of the International Pressman's union, made a statement in reference to a dispatch sent recently from Denver: "I wish to correct the statement which was given wide circulation. The press dispatches have quoted me as saying, in a talk at Denver, that the newspaper building would blow up before a settlement would be made with the pressmen's union, leading the public to believe that I had been advocating the perpetration of dastardly deeds. A local publisher made the statement to me that he would see the building blow up before he would settle with the pressmen's union." In my talk I simply quoted the publisher, to show his attitude toward the pressmen's union. The incendiary words quoted are those of the publisher, but have been attributed to me."

## AN OLD-TIME PRESCRIPTION

In a modern product. From time immemorial sage and sulphur have been used for the hair and scalp. Almost every one knows the value of such a combination for darkening the hair and making it grow. In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready to use product, skillfully compounded in perfectly equipped laboratories. Such a preparation is Wyeth's Sage and Sulphur, which is sold by all leading druggists for 50c. and \$1.00 a bottle, or which is sent direct by the Wyeth Chemical Company, 74 Cornhill St., New York City, upon receipt of price.
